

HP DeskJet 350C/350CBi Mobile Color Printer

Desktop Efficiency Without the Desk

The HP DeskJet 350C/350CBi mobile printer gives you the flexibility and reliability to print no matter where your work takes you. The rugged, durable design and high-volume ink cartridges provide no compromise printing that withstands the demands of travel. The fast built-in recharging feature (NiMH battery included with 350CBi), wireless printing with the infra-red adapter (included with 350CBi) and a portable 30-page sheet feeder allow for hassle-free printing on the road.

The HP DeskJet 350C/350CBi mobile printer allows you to print professional-quality documents wherever you are. After meeting with a client, quickly tailor and print your presentations, spreadsheets, contracts, and proposals on a wide variety of media. No need to wait until you get back to the office to have final documents. Just print at your convenience.

Professional-Quality Documents Wherever You Go

The HP DeskJet 350C/350CBi gives you fast printing that doesn't compromise print quality. Professional quality black text prints up to 5 pages per minute (ppm), vibrant color prints in as little as 2 ppm. Built-in software includes HP's ColorSmart II technology, that analyzes documents automatically to optimize imaging capabilities for clearer, more vivid output. HP's SmartFocus automatically sharpens low-resolution images from the Internet for better quality images.

When you need quality printing but can't afford to be tied to your desk, the robust, reliable HP DeskJet 350C/350CBi mobile printer is a must.

The Robust Mobile Printer for Fast, Professional Quality Documents

A Printer You Can Rely On

- Rugged and durable design, drop tested from 2½ feet to withstand hard knocks and drops
- High volume ink cartridges for improved cost-effectiveness
- Fast, built-in recharging NiMH battery (optional with 350C) with no memory effect
- 30-page portable sheet feeder for convenient, hands-free printing

Hassle-free Printing on the Road

- Infra-red adapter for wireless printing anywhere (optional with 350C)
- Prints on a wide variety of media—plain paper, transparencies and labels
- Compatible with Windows 3.1x, 95, 98, NT 4.0, 2000, MS-DOS and Mac OS
- HP's exclusive Smart software features* include LaserJet Margin Emulation (for printing documents formatted for HP LaserJet printers), optimized for photocopy/fax mode, handout, and watermark, MS-DOS printer control panel utility

Fast, Professional Quality Printing

- Print speeds up to 5 ppm for black and 2 ppm for color
- Professional quality 600 x 600 dpi text
- Vibrant color images at 600 x 300 dpi
- HP ColorSmart II—automatically optimizes imaging capabilities for clearer, more vivid output
- HP SmartFocus, a ColorSmart II feature, automatically sharpens low-resolution images from the Internet for better quality images

*Smart software features for Windows only

Technical Specifications
